

GLASS ISLAND

SYDNEY

Glass Island is the newest luxury floating event space on Sydney Harbour.

Recently refurbished with no expense spared, Alex Zabotto-Bentley and his award-winning team at AZBcreative designed Glass Island as 3 levels totally unique to themselves and all inspired by travels to paradise locations around the globe.

As you board, the middle deck is a manifestation of Miami pool clubs and beach front hotel lobbies. A 7m long custom mint-tiled bar features with multiple lounging and seating on a raw timber deck surrounded completely by glass with a number of large panels sliding open so guests feel the sea breeze on their face. It is as if the guests are literally dancing on the water!

Upstairs, the top deck is inspired by travels to iconic Mediterranean beach clubs. It is a lush oasis with a palette of rust, burnt orange and white, with custom seating and super-deep lounges complete with jaw dropping uninterrupted 360-degree panoramic view of the magnificent Sydney Harbour. It truly does provide a breath-taking backdrop for any event.

The unique design and versatile layout paired with exceptional service, fresh and customisable menus from our onboard Chef makes Glass Island the most impressive floating venue on the Harbour.

Whether it's a formal dinner for 80 or a cocktail party for 400, Glass Island will ensure your next event is nothing short of spectacular.
