LIVING ROOM

Step inside the saloon, where an exacting and thoughtful design creates an experience that allows guests to depart from the everyday and enter a world of blissful serenity. The bespoke interiors have been handcrafted to deliver sophisticated, elegant expressions of luxury.

Adorned with custom furniture, a lounge setting and bar, the Saloon will be your private sanctuary. All of the windows in the saloon have been designed to create a glass house effect, allowing guests to feel completely connected with the natural surroundings. Polished stainless steel frames the windows, creating breathtaking vignettes of the dancing water.

DINING ROOM

Moving past the highly detailed helm, an architecturally designed spiral staircase transports you below deck. This space is dressed lavishly, from the beautiful silk inlay carpet, to the custom designed dining table finished with pearlescent sandblasted glass. During the day, the dining Room is adapted to a functional conference Room, a space completely unique to ONE O ONE and not found on any other superyachts in Australia.

MASTER SUITE

Step into the master suite via a concealed door and be welcomed to a space that welcomes sophistication and elegance. The layout of the master cabin has been perfectly designed to suit him and her, and no desire or comfort will be left unmet with a separate lounge, desk, mini bar and private ensuite.

GUEST SUITES

The sumptuous design of ONE O ONE's cabins promote comfort and rest. With three cabins, plus a master, there is space for all. All cabins are decadently fitted with ensuites and private showers, individually controlled air conditioning and automated blinds.

BOW

Experience a premium viewing opportunity on the bow of ONE O ONE. The bow is set to be one of the most popular areas of the boat, fitting up to 15 people on the sumptuous sun pads, idyllic for sun tanning, or an afternoon rest. The bow also features a dining table, perfect for drinks, nibbles and socialising whilst watching the sun go down over the sparkling harbour.

AFT DECK

The aft deck has been designed so that you can easily immerse yourself with the natural surroundings and enjoy panoramic views of the harbour. Enjoy a meal freshly crafted by the on-board chefs at the dining table, or for a slower more relaxed tempo, sit back and savor a champagne on the expansive L-shaped corner lounge.

Entertainment has been considered at the core of the design of the aft deck, with tv-screens set behind the lounges.

A custom deployable sun shade sail is fitted on the aft deck allowing guests to enjoy full sun exposure, sit under a blanket of shimmering stars, or they can take a break from the natural elements.

BEACH CLUB

Immerse yourself in the magical views from your very own private beach club. Sit back on the oversized low slung deck chairs with a cold glass of champagne overlooking the harbour and feel the sun caress your body and warm your soul.

The adventurous can enjoy easy access to the harbour from ONE O ONE's beach club via mechanical stairs, or via an elevated or flat diving board. Come evening, settle in for the night, enjoy a cocktail and view the water set alight by One O One's underwater lights.
